Rental Request Information

If you do not see the pieces you need on our website, please ask – we obtain new inventory constantly and sometimes the site is not up-to-date!

Stipulations of Participation

Based on experience, there are a few stipulations we must insist upon to participate in this or any styled shoot. Please read over the list below, and if you have any questions, do not hesitate to ask!

- The completed form must be submitted back to UniquelyChicVintage@gmail.com before the agreement can be finalized.
- We are happy to offer the shoot coordinator 75% off regular rental rates! As a result, only a 25% fee of total rental value, with a \$50 minimum, is due in full by the shoot date. This covers employee labor to prep our rentals. If any additional costs arise, or should the quantity of rentals require a larger delivery vehicle or extra staff, *Uniquely Chic Vintage Rentals* will provide a separate invoicing document.
- While we do prefer to deliver and handle our own rental inventory on set, *Uniquely Chic Vintage Rentals*, in some circumstances, will allow a trusted vendor to pick up, set up, and return the rental items needed for the shoot. If granted permission, the vendor must prove all transportation will be within an enclosed and insured vehicle. Any damages or replacements needed because of this shoot and related transportation will be the sole responsibility of the shoot coordinator.
- In order to receive the styled shoot rental discount of 75%, we require detailed photographs of our rental inventory both with and without the models. For example, if the set includes a backdrop, we need an image of the backdrop with the models present, and another of the piece in its entirety, with no models present. This is necessary for our own marketing purposes and nonnegotiable.

- It is imperative we receive detailed digital photographs of our inventory without the models no more than 30 days after the shoot so we may capitalize on the season and post them to the *Uniquely Chic Vintage Rentals* website in a timely manner. We understand photo manipulation takes time, so it is not necessary to overly edit or correct these photographs.
- For all remaining images, *Uniquely Chic Vintage Rentals* must receive access to web and print ready files no later than 90 days after the shoot date. In the case of blog submissions, etc., we are happy to wait until publishing before sharing on our own social media pages.
- *Uniquely Chic Vintage Rentals* takes proper crediting/tagging on all social media, blogs, websites, and other publications very seriously. We demand proper credit be given on ALL imagery featuring our inventory, products, and accessories - whether in print or online. Once we receive this completed agreement back from you, we will personally reach out to all participating vendors requesting their complete social media contact information. At this time, we will also supply the participating vendors with our own contact information so there are no excuses and/or misunderstandings later. Everyone works hard and everyone gets credit; this is our mantra and we will insist all abide by it.

Exclusivity Agreement

- As a final condition of our participation, we must be the only rental company featured in this particular shoot. By initialing below, you affirm no other rental furniture, backdrops, accessories, or dinnerware will be on scene at the styled shoot, featured in the photographs themselves, or present in any related published work.
